

Take these easy steps . . .

- **Raise money!** Ask friends, family, neighbors, co-workers, teachers, colleagues to sponsor you. Raise as much as you can to help HABITAT. Our target goal is for each walker to raise \$50 in contributions. Collect the money from your Sponsors and bring it with you to the Walk on April 25th. **If you are school-age, contact us at 845-568-6035 to determine the contact for your school.**
- **Meet us at the Newburgh Activity Center!** Registration and the pre-walk party will begin at noon! Walkers will depart at 1 pm. Bring your friends and join the crowd of fun-loving, caring people as we Walk for Decent Affordable Housing and better communities. Remember to bring your contributions with you to the walkathon.
- **Students!** Check with your school regarding Community Service Credits. Most schools will give credit for participating in this Walkathon.
- **Questions?** If you have any questions or if you would like more information please call our office at (845) 568-6035 or e-mail us at hhumanity@hvc.rr.com

*Rebuilding our neighborhoods,
one house at a time.*

- The City of Newburgh's median household income is \$32,519, compared to that of Orange County at \$60,355.
- Only 380 of the 2255 housing units in Newburgh's Census Tract 4 are owner occupied, 339 are vacant, and 1536 are renter occupied.
- Home ownership is the #1 asset building strategy in our county. It is also the best community builder. Housing matters!

HABITAT OFFERS A "HAND UP"
NOT A "HAND OUT"

Habitat serves area hard working families living in overcrowded, substandard housing and spending 50% to 80% of their income on rental housing.
