2025 Concert Sponsor Info

Calvary Presbyterian Church, in the city of Newburgh, is pleased to bring to the Newburgh community our second season of Saturday concerts. Our goal is to feature vibrant, local, musical talent in our large and historic sanctuary, and our growing audiences have been very receptive.

Our concert line-up: The young and dynamic ***Caelan Cardello Jazz Trio*** returns in March. Bassist ***Dean Sullivan Quartet*** comes in April for Good Friday,

Hudson Crossing Bluegrass returns in May.

Exciting jazz flutist ***Elsa Nilsson*** and her group will also perform in May.

And we plan to book even more artists later in the spring!

Please consider providing sponsorship help as we continue to bring many different styles of music to our venue.

For \$75 or \$100, we will include your business name in one concert program.

\$250 or more will feature your business name in each of the concert programs.
